MESSAGE FROM OUR PRINCIPAL

Welcome to SHAPE!

Over the last 20 years, we take pride in being a leading non-local degree programme operator in Hong Kong. Our seamless progression pathways offer sub-degree holders well-recognised and career-oriented Bachelor's degree programmes, enhancing our graduates' competitive edge in the market.

Internationalisation and global connectivity have been key to SHAPE's programmes. With more than 10 strategic partners from the UK, Australia and Mainland China, SHAPE provides over 45 locally-accredited programmes, widening your horizons and equipping you a new future. Thanks to the adoption of blended learning and sophisticated communication technologies, our students and teaching staff alike benefit from the knowledge exchange and networking opportunities, to cultivate talents to serve both our local and international communities.

Quality assurance of our programmes is of utmost priority. All of our programmes are awarded and governed by our partner universities. Together with the recognition of HKCAAVQ at Qualifications Framework (QF) Level 5, our awards are highly recognised both locally and internationally. Most of our Engineering programmes are also recognised by world-renowned professional bodies - HKIE, HKIS, RIBA, EA, just to name a few. Our degree holders are eligible for a wide range of employment opportunities including in the civil service of the HKSAR. Graduates can also further their studies at Master's level.

In addition, students can apply for Government support schemes such as scholarships and financial assistance. We are honoured to have 124 SHAPE students being awarded over 2.4 million dollars through the Government's Self-financing Post-secondary Scholarship Scheme (SPSS) last year.

Read up on our various programmes in this prospectus and discuss with us on selecting a programme bestsuited for your aspiration. I invite you to join us for the next stage of your learning journey to create a better future.

WHY CHOOSE SHAPE?

SHAPE prides ourselves to provide quality top-ups recognised by multiple local and overseas authorities.

1 Year of Study

All full-time UK programmes can be completed in 1 year of study in Hong Kong*.

2 Networks

All of our programmes are jointly taught by local and partner university lecturers. Students will have international exposure and experience, and immerse in an English-speaking environment.

* For details on the study duration, Qualifications Framework (QF) level, Qualifications Register Registration Number, and Registration Validity Period, please refer to individual programme pages in this prospectus.

3 Recognitions

All graduation certificates are awarded by partner universities, and all programmes are governed by the universities' policies on academic matters and standard.

All UK and Australian programmes are recognised under Hong Kong Qualifications Framework Level 5*.

Most of our Engineering programmes are recognised by established and representative local and/or overseas professional bodies in the relevant professions.

– Reputation and Rankings

At present, SHAPE collaborates with 2 renowned universities from the UK to provide quality top-up degree programmes in Information Technology area.

Founded by entrepreneurs and industrialists as the Coventry School of Design in 1843, and in 2018 celebrated 175 years, Coventry University is a dynamic and outward-looking institution with a tradition of teaching excellence, impactful research and bold international partnerships.

The University has consistently ranked top 15 UK university for past 5 years (The Guardian University Guide 2016-2020), it also earned the No. 1 Modern University in the Midlands (The Guardian University Guide 2021), holds with its vision of what the 21st century student experience should be*. What's more, the University is awarded 5 QS Stars overall rating (QS Stars University Ratings 2022).

* *Accolades and statistics above relate to Coventry University courses and the campus in the UK.*

UWE Bristol is a thriving, modern university, with an excellent reputation for its well respected degrees and graduate employability. UWE Bristol's inspiring courses and teaching commitment have led to its consistently high level of performance in many UK higher education rankings.

This includes:

- 21st place out of 121 UK institutions and 2nd in "Education" subject area in The Guardian University Guide 2021;
- 2nd in England* for student satisfaction in the National Student Survey 2020 for overall student satisfaction;
- Top 30 UK universities by Times Higher Education in the 'Table of Tables' 2021 rankings;
- Top 500 in the Times Higher Education World University Rankings, 2021.

* *excluding specialist Higher Education Institutions*

Alumni Sharing

“The BSc (Hons) Digital Media programme, in particular the Commercial Game Development module, has equipped me with both knowledge and hands-on experience in utilising game engines, kickstarting my career as a Software Engineer in a multimedia company. SHAPE lecturers were helpful and patience; they offered very useful advice along my learning journey.”

Tse Kiu Yu
BSc (Hons) Digital Media

- Computer Science, City University of Hong Kong
- Software Engineer, N1 Ltd.

“I learnt the latest IT knowledge such as artificial intelligence and big data from the programme which enhanced my career development. SHAPE lecturers were very kind and supportive. I was thankful to their continuous encouragement and motivation. I also participated in various competitions which broadened my horizon and enhanced my self-confidence.”

FACILITIES AND RESOURCES

SHAPE offers comprehensive facilities and resources to support your studies in an engaging learning environment.

Specialised facilities

Our purpose-built campuses are equipped with professional facilities for students of different study areas, giving you a first-hand look at what it's like to be in the industry.

Some of our specialised facilities include:

- Microbiology Laboratory
- Pharmaceutical Manufacturing Laboratory
- Child Education Centre for Teaching and Learning
- Dedicated design studios
- Building Information Modelling (BIM) Centre
- Concrete and Structure Laboratory
- Engineering Mechanics Laboratory
- Cybersecurity Centre certified by Palo Alto Networks

Free English support

We understand the importance of English language in achieving an overseas award. At SHAPE, we provide focused and practical English enhancement activities.

Academic English workshops:

Learn writing academic papers step-by-step from structure, referencing, literature review, idea development to editing.
