# MESSAGE FROM OUR PRINCIPAL

## Welcome to SHAPE!

Over the last 20 years, we take pride in being a leading non-local degree programme operator in Hong Kong. Our seamless progression pathways offer sub-degree holders well-recognised and career-oriented Bachelor's degree programmes, enhancing our graduates' competitive edge in the market.

Internationalisation and global connectivity have been key to SHAPE's programmes. With more than 10 strategic partners from the UK, Australia and Mainland China, SHAPE provides over 45 locally-accredited programmes, widening your horizons and equipping you a new future. Thanks to the adoption of blended learning and sophisticated communication technologies, our students and teaching staff alike benefit from the knowledge exchange and networking opportunities, to cultivate talents to serve both our local and international communities.

Quality assurance of our programmes is of utmost priority. All of our programmes are awarded and governed by our partner universities. Together with the recognition of HKCAAVQ at Qualifications Framework (QF) Level 5, our awards are highly recognised both locally and internationally. Most of our Engineering programmes are also recognised by world-renowned professional bodies - HKIE, HKIS, RIBA, EA, just to name a few. Our degree holders are eligible for a wide range of employment opportunities including in the civil service of the HKSAR. Graduates can also further their studies at Master's level.

In addition, students can apply for Government support schemes such as scholarships and financial assistance. We are honoured to have 124 SHAPE students being awarded over 2.4 million dollars through the Government's Self-financing Post-secondary Scholarship Scheme (SPSS) last year.

Read up on our various programmes in this prospectus and discuss with us on selecting a programme bestsuited for your aspiration. I invite you to join us for the next stage of your learning journey to create a better future.

**Prof Simpson Poon**

Principal

School for Higher and Professional Education

# WHY CHOOSE SHAPE?

SHAPE prides ourselves to provide quality top-ups recognised by multiple local and overseas authorities.

## 1 Year of Study

All full-time UK programmes can be completed in 1 year of study in Hong Kong\*.

## 2 Networks

All of our programmes are jointly taught by local and partner university lecturers. Students will have international exposure and experience, and immerse in an English-speaking environment.

## 3 Recognitions

All graduation certificates are awarded by partner universities, and all programmes are governed by the universities' policies on academic matters and standard.

Most UK and Australian Programmes are recognised under Hong Kong Qualifications Framework Level 5\*.

Most of our Engineering programmes are recognised by established and representative local and/or overseas professional bodies in the relevant professions.

Validated course  
in architecture

\* For details on the study duration, Qualifications Framework (QF) level, Qualifications Register Registration Number, and Registration Validity Period, please refer to individual programme pages in this prospectus.

# Partner Universities

## – Reputation and Rankings

At present, SHAPE collaborates with 10 renowned universities from the UK, Australia and Mainland China to provide quality top-up degree programmes across a wide range of professions for sub-degree graduates.

The academic standard and qualifications of our programmes are all quality assured by the universities. What is more, all of our programmes are jointly taught by university and local lecturers, providing students with both global perspectives and local insights.

### UK

### Australia

### Mainland China

Founded by entrepreneurs and industrialists as the Coventry School of Design in 1843, and in 2018 celebrated 175 years, Coventry University is a dynamic and outward-looking institution with a tradition of teaching excellence, impactful research and bold international partnerships.

The University has consistently ranked top 15 UK university for past 5 years (The Guardian University Guide 2016-2020), it also earned the No. 1 Modern University in the Midlands (The Guardian University Guide 2021), holds with its vision of what the 21<sup>st</sup> century student experience should be\*. What's more, the University is awarded 5 QS Stars overall rating (QS Stars University Ratings 2022).

\* *Accolades and statistics above relate to Coventry University courses and the campus in the UK.*

Northumbria University is a research-rich, business-focused, professional university with a global reputation for academic excellence. It was the fastest rising UK University in the Times Higher Education World University Rankings 2020 and was a 5-Star institution after achieving top rating overall in the 2022 QS Stars audit, and is ranked in the top 30 universities in the UK in The Guardian University Guide 2021.

Having been awarded Association to Advance Collegiate Schools of Business (AACSB International) double accreditation in business and accounting, Northumbria is part of an elite group of business schools worldwide. Northumbria was first awarded AACSB status in 2015 and received re-accreditation in 2019.

Nottingham Trent University

Founded in 1843, the School of Art & Design at Nottingham Trent University (NTU) is one of the most established, renowned and respected institutions in the UK. There is a multicultural community of more than 29,000 students at the University and the School of Art & Design has a global reputation for creativity and design excellence.

NTU has been awarded 5 Stars in the QS Stars Ranking 2022, including 5 stars for the specialist criteria of Art and Design. It was named The Guardian's University of the Year in 2019, and ranked 18<sup>th</sup> in the UK for "Fashion and Textiles" (The Guardian University Guide 2022).

## Sheffield Hallam University

Sheffield Hallam University (SHU) is one of the largest universities in the UK, with around 30,000 students. In 2022, it is awarded a maximum 5-Star rating in the QS Stars. SHU is also named in the top 20 for student satisfaction in 2021 Complete University Guide rankings.

SHU is ranked 8<sup>th</sup> in the UK in the "Hospitality, Event Management & Tourism" subject area by The Guardian University Guide 2022. Its Sheffield Business School is accredited by the Association to Advance Collegiate Schools of Business (AACSB) placing it within the top 5% business schools globally.

The University of Central Lancashire (UCLan) is the international, multi-campus university leading the way in modern learning today. UCLan believes in helping people to seize every opportunity to flourish in education, at work and for life.

Innovative by nature, UCLan offers courses which combine academic excellence with real-world teaching.

UCLan was the UK's first modern university to get into the QS World University Rankings, and the University currently holds the maximum 5 Stars for the quality of its teaching. In 2021-22 the Center for World University Rankings (CWUR) placed UCLan in the top 6.8% of all universities worldwide.

Situated in the heart of a beautiful and historic city, the University of Lincoln is “Modern University of the Year” in The Times and Sunday Times Good University Guide 2021. The University also holds a maximum 5-Star score overall in the QS Stars ratings system of global universities and ranked among the top 20 UK universities in The Guardian University Guide 2020.

With its expert staff, modern facilities, close links with industry, pioneering research, and student-led approach, Lincoln aims to provide the tools you need to achieve your career aspirations in today's global workplace.

## UNIVERSITY OF WESTMINSTER<sup>®</sup>

The University of Westminster's fashion department was ranked among the best in the world, 16<sup>th</sup> according to CEOWORLD Magazine 2021. The University is also ranked 14<sup>th</sup> in the "Art" subject area in The Guardian University Guide 2022 and within the top 30 in the "Art and Design" subject area in Complete University Guide 2022.

Westminster's fashion programmes are tailored to meet the changing needs of the fashion industry. Its students benefit from close connections with leading industry professionals and gain the inside knowledge needed to succeed in the fashion business. Notable alumni include Vivienne Westwood, Stuart Vevers – Executive Creative Director of Coach, and Christopher Bailey – former President and Chief Creative Officer of Burberry.

UWE Bristol is a thriving, modern university, with an excellent reputation for its well respected degrees and graduate employability. UWE Bristol's inspiring courses and teaching commitment have led to its consistently high level of performance in many UK higher education rankings.

This includes:

- 21<sup>st</sup> place out of 121 UK institutions and 2<sup>nd</sup> in "Education" subject area in The Guardian University Guide 2021;
- 2<sup>nd</sup> in England\* for student satisfaction in the National Student Survey 2020 for overall student satisfaction;
- Top 30 UK universities by Times Higher Education in the 'Table of Tables' 2021 rankings;
- Top 500 in the Times Higher Education World University Rankings, 2021.

\* excluding specialist Higher Education Institutions

Established in 1887, RMIT University (RMIT) is a global university of technology, design and enterprise.

RMIT ranks 3<sup>rd</sup> globally in the 2021 Times Higher Education (THE) University Impact Rankings. The University also ranks 5<sup>th</sup> in Australia and 18<sup>th</sup> in the world among universities less than 50 years old (QS Top 50 Under 50 2021). RMIT has been awarded 5 QS Stars in all 8 categories in 2018-2021 for its excellence in teaching, employability, research, internationalisation, innovation, inclusiveness, facilities and specialist criteria.

RMIT ranks 3<sup>rd</sup> in Australia and 28<sup>th</sup> globally in the “Architecture/Built Environment” subject area, 7<sup>th</sup> in Australia in “Engineering – Mechanical, Aeronautical & Manufacturing”, 9<sup>th</sup> in Australia in “Engineering – Electrical and Electronic”, and 9<sup>th</sup> in Australia in “Engineering - Civil and Structural” (QS Rankings by Subject 2021).

中國藥科大學是一所歷史悠久、在藥學界享有盛譽的教育部直屬「211工程」和國家「雙一流」建設高校。學校前身為始建於1936年的國立藥學專科學校，是我國歷史上第一所由國家創辦的藥學高等學府。

中國藥科大學在全國第四輪學科評估中，藥學學科獲評A+，位列第一檔。在2022 U.S.世界大學排名榜 (U.S. News & World Report Best Global Universities Rankings) 中，其藥理學與毒理學學科 (Pharmacology and Toxicology) 位列全球第13位、亞洲第1位。

# FACILITIES AND RESOURCES

SHAPE offers comprehensive facilities and resources to support your studies in an engaging learning environment.

## Specialised facilities

Our purpose-built campuses are equipped with professional facilities for students of different study areas, giving you a first-hand look at what it's like to be in the industry.

### Some of our specialised facilities include:

- Microbiology Laboratory
- Pharmaceutical Manufacturing Laboratory
- Child Education Centre for Teaching and Learning
- Dedicated design studios
- Building Information Modelling (BIM) Centre
- Concrete and Structure Laboratory
- Engineering Mechanics Laboratory
- Cybersecurity Centre certified by Palo Alto Networks

## Free English support

We understand the importance of English language in achieving an overseas award. At SHAPE, we provide focused and practical English enhancement activities.

### **Academic English workshops:**

Learn writing academic papers step-by-step from structure, referencing, literature review, idea development to editing.

### **One-to-one English consultation:**

Discuss your English language strengths and weaknesses based on your writing.

### **Grammarly Premium Writing App:**

Install the app to your MS Words to improve your writing from grammar and spelling to style and tone.

## Library resources

Up-to-date and easily accessible library resources are essential to your studies. You will have access to the e-libraries of both VTC and the overseas university of your programme for journals, databases and e-books, and access to VTC library in the campus you are studying and inter-library loan service among the 9 VTC libraries spreading across the territory.

## Sports facilities

SHAPE offers a diverse range of sports facilities to help you lead a healthy lifestyle alongside your academic studies. Depending on the campus you are studying at, you will find for example: swimming pool, gym, tennis court, basketball court, badminton court and squash court.

# HALLS OF RESIDENCE

---

SHAPE students are eligible to apply for the VTC Halls of Residence located in Pokfulam and Tsing Yi. Hall life provides opportunities for you to learn and grow together through cross-cultural environment, as well as enriches your study life and adds value to your whole person development. It offers great chance for you to meet new friends, to participate in a wide range of hall activities, and to equip yourself with various skills.

For details, please refer to <https://halls.vtc.edu.hk>.

# HOW TO APPLY?

## General Minimum Entry Requirements

- **Higher Diploma or Associate Degree or equivalent in a relevant study area.**
- Applicants holding post-secondary qualifications taught and assessed in English from recognised institutions will be considered to have met the English language requirements for most programmes.

For programme-specific entry requirements, please visit [www.shape.edu.hk](http://www.shape.edu.hk).

- Reaching Out Award

\* For details, please visit [www.cspe.edu.hk/en/Overview-Measures-Fund-SPSS.html](http://www.cspe.edu.hk/en/Overview-Measures-Fund-SPSS.html).

# WHAT CAN I STUDY?

# BUSINESS

“Apart from gaining a solid foundation in the marketing field, the programme also allowed me to put theory into practice in the workplace. I am trained to be responsive to market conditions and crisis. I highly recommend this programme to all students who are aspired to become marketing professionals.”

## Lydia Hung

BA (Hons) International Marketing

- Best Academic Performance Award

“The programme has not only enriched my knowledge in human resources management including employment law and labour unions in HK and the UK, but also strengthened my leadership and interpersonal skills in handling employee relations in the workplace.”

## Henry Lee

BA (Honours) Business Management

- Inspirational Student Award, Sheffield Hallam University
- DGF Scholarship, DHL Global Forwarding (HK) Ltd.

If you have a passion for business and an aptitude for organisation and management, this programme can prepare you for a wide range of roles in dynamic business environment. It focuses on the application of theory to real business situations, and reflects contemporary business thought and practice.

Registration Fee : HK\$3,500

Tuition Fee : HK\$209,300 by 6 (FT) or 8 (PT) instalments

(NMTSS: deduct up to HK\$33,200/year for eligible FT students;

CEF: deduct up to HK\$20,000 for eligible PT students)

## Assessment

Assignment, laboratory exercise, project work and final examination

Registration No. : 212248. It is a matter of discretion for individual employers to recognise any qualification to which this course may lead.

<sup>^</sup> Under review and subject to change.

<sup>></sup> For part-time mode only.

 This course has been included in the list of reimbursable courses under Continuing Education Fund. The mother course (Bachelor of Engineering (Mechanical Engineering) (Honours)) of this module is recognised under the Qualifications Framework (QF Level 5).

<sup>+</sup> RMIT may alter the programme, curriculum or regulations at its discretion. Some of the electives may not be offered in a given year depending on factors such as enrollment and scheduling.

This programme emphasises the application of modern, sustainable, and energy-efficient engineering systems in the context of the built environment. It is also characterised by parallel themes of design and management of project work, complemented throughout by the drive towards sustainability and energy efficiency of engineering solutions.

# INFORMATION TECHNOLOGY

“The BSc (Hons) Digital Media programme, in particular the Commercial Game Development module, has equipped me with both knowledge and hands-on experience in utilising game engines, kickstarting my career as a Software Engineer in a multimedia company. SHAPE lecturers were helpful and patience; they offered very useful advice along my learning journey.”

## Tse Kiu Yu

BSc (Hons) Digital Media

- Computer Science, City University of Hong Kong
- Software Engineer, N1 Ltd.

“I learnt the latest IT knowledge such as artificial intelligence and big data from the programme which enhanced my career development. SHAPE lecturers were very kind and supportive. I was thankful to their continuous encouragement and motivation. I also participated in various competitions which broadened my horizon and enhanced my self-confidence.”

## Ngai Ka Tung

BSc (Hons) Computing

Our practical approach to the teaching of computing subjects combines activity-led learning, collaborative technical projects and simulation of real world problems.

This programme provides you with the fundamental range of skills necessary to become a software developer. It equips you with key programming, analysis and design skills including back and front-end web development, internet-of-things development, user experience design, quality assurance and testing, system administration, and security that give you a competitive edge in the job market.

# POINTS TO NOTE

## Use of application information

Personal data provided in the application form will be used solely for admission and be handled by SHAPE and university partners authorised to receive it.

Application forms and supporting documents of unsuccessful applicants will be disposed of after the completion of the admission exercise.

Application forms and supporting documents of successful applicants will become part of the student file and the data will thereafter be handled by SHAPE and university partners authorised to receive it.

In accordance with the Personal Data (Privacy) Ordinance, applicants have the right to request access to, and the corrections of their personal data. Applicants wishing to access or make corrections to their data should submit written requests to SHAPE.

## Programme fees

All Academic Year 2022/23 programme fees shown in this prospectus are indicative only and subject to review.

## General refund policy

All fees paid are normally non-refundable unless the programme is cancelled.

## Cancellation of programmes

SHAPE reserves the right to cancel any programmes. Fees already paid will be refunded.

## Campus location

SHAPE reserves the right to change the campus location of the programmes on offer before class commencement if so required.

## Interview

Applicants will be notified by mail or phone if they are required to attend an interview.

## Programme commencement date

The commencement date for individual programmes varies. Please refer to programme information for details.

## **DISCLAIMER**

Whilst every care has been taken to ensure the accuracy of the information provided in this Prospectus at the time of production, the School for Higher and Professional Education cannot be held responsible for any errors or omissions.

The School reserves the right to make variations to the contents of the Prospectus and to modify, withdraw or replace the programmes listed herein.

This Prospectus is for reference only and does not constitute any contractual obligation on the part of the School.
